

Course No: CSE 4126

Course Title: Distributed Database Systems Lab

Assignment No: 02

Question 1: take input of student id and print his name 5 time if he/she belongs from CSE , else print he is not from CSE

Name: Rakib Hossain Rifat

ID: 160204099

Section: B2

Page no: 01

ID: 160204099

Question 1: take input of student id and print his name 5 time if he/she belongs from CSE , else print he is not from CSE

Ans:

```
SET SERVEROUTPUT ON;
```

```
DECLARE
```

```
    v_name STUDENT.sname%TYPE ;
```

```
    v_major STUDENT.major%TYPE ;
```

```
    v_id STUDENT.snum%TYPE := &id;
```

```
BEGIN
```

```
    select sname,major
```

```
    into v_name,v_major
```

```
    from STUDENT where snum=v_id;
```

```
    IF v_major='CSE' THEN
```

```
    FOR v_i IN 1..5 LOOP
```

```
        DBMS_OUTPUT.PUT_LINE(v_name);
```

```
    END LOOP;
```

```
    ELSE
```

```
        DBMS_OUTPUT.PUT_LINE('He is not from CSE');
```

```
    END IF;
```

```
END;
```

```
/
```
